

## 2024 LCWR Assembly

### Our Time is Holy: Who Then Shall We Be?

August 13 - 16 | Orlando, Florida

This year's LCWR Assembly will welcome nearly 900 participants and exhibitors. Participants will engage in a contemplative experience created to be in solidarity with the fragility of the world while reflecting on the call to respond to that fragility as bearers of the gospel message.

The prayer experience is based on the belief that lament and grief over the pain of the global community must take place before being able to embrace new realities and receive them as gifts. Through the arts, brief readings, and reflective questions, participants will engage in a process of lamenting the suffering of the world -- particularly the realities of climate change, racism, migration, and polarization and their intersection.

Members, Associates, and Partners in Mission are invited to participate virtually in the LCWR Assembly. Many of the main LCWR events will be livestreamed. These events will also be recorded and posted on the LCWR [website](#) to be viewed at any time after the assembly. Please note **all times** listed below **are EASTERN TIME**.

#### Wednesday, August 14

9:25 - 10:10 AM

Presidential Address by Maureen Geary, OP
