

Sister Mary Earle Doohan, SSND – 75 Year Jubilee!

"God knows everything"

I was born in New Brunswick, Canada and had two sisters and a brother. Because of a better job opportunity, my father moved the family to Malden, Massachusetts.

That's where I met the School Sisters of Notre Dame, at the parish grammar and high school!

At 18, I decided I wanted to join the Sisters, and my parents were very supportive.

So I traveled to Baltimore to the Asquith Street Motherhouse. A few months into my candidature, I was sent to teach in the grammar school. I spent many years there.

Eventually, the superior thought I was too tall for the little ones so I was assigned to eighth-grade boys!

Being a Sister gives me time to pray and remember that God knows everything.

My favorite prayer is the Our Father.

I have a happy life as a Sister!
