

Sister Mary Ellen Ryan, SSND – 70 Year Jubilee!

"Live your life and enjoy it!"

I was born in Brooklyn, New York and went to St. Saviour Grammar School in Brooklyn.

When I was in the 6th grade, Mother Myles came to visit our school. I told her that I was interested in becoming a Sister.

Mother Myles told me to write to the Sister in charge at the Juniorate. Happily, I went to the Juniorate after grammar school!

From there I went to Baltimore for the Candidature. I was there for a short time when I was asked to go teach the third grade at St. Lawrence School in Sayville, New York.

I loved teaching and all the places that I taught!

My life has been enriched by being with all the great women I lived with, taught with, and met in SSND.

I lived my life and enjoyed what I was able to do, which is the advice I would give to anyone.

Live your life and enjoy it!
