

A Prayer of
Ongoing
Openness
and
Surrender

*School Sisters of Notre Dame
Notre Dame Convent*

Spirit of openness, generously bless us
with graced surrender
to the new emerging reality of
living with greater cultural diversity.
Gift us with welcoming, accepting spirits
as we make space for staff and
students with whom we will be
sharing some living space;
empower us with passion and
compassion in our efforts to foster
unity in diversity.

Mother Theresa and Mother Caroline
intercede for us.
