

"THAT ALL MAY BE ONE"

INTEGRAL VISION

DEEPER INCARNATION

How are we called to live our SSND mission in these times?

DEEPER
DEEPER
DEEPER

for REFLECTION

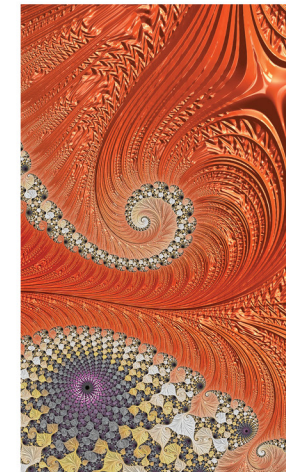

In light of our developing understanding of God constantly creating in the entire cosmos, what change of attitude do I need to foster within myself? Within community?

How will my stance in prayer be affected?
How will I give evidence of God's presence and emergence in my life? In my world?

What concrete actions do I /we desire to take as we imitate the Incarnate Christ who continues to desire, design and create the reign of God?

Approach the world
with wonder and awe

Grow in a deep sense of communion

Realize that
everything
is connected

Develop bonds
of affection with
other creatures
