

## *Sister Yvette Trentler, SSND - 50 Year Jubilee!*

*"God is worth all our love.  
The charm of His endless beauty  
encourages us to admire Him  
with a love that will satisfy us  
forever." ~ Blessed Mother Theresa*

These words of Blessed Theresa Gerhardinger signify the kind of love I have felt every day - up to and including my Golden Jubilee! This love has manifested itself over the years through my many ministries: First grade teacher; "house-mother" at St. Vincent's Orphan Asylum to a group of boys ages 4 to 12; day care teacher/coordinator at St. Vincent's to sixty 3 and 4 year olds to accommodate working parents; caseworker at My Sister's Place day program for poor and homeless women; caseworker/coordinator at My Sister's Place Lodge night program for 16 women who are homeless and have mental health illnesses; social worker at Beans and Bread Outreach Program to men and women who are poor and homeless; companion/driver at Villa Assumpta to doctor appointments for Sisters; and ministering as sacristan at Villa Assumpta, my present ministry.

With God's grace, and my whole heart and soul, each ministry was performed to the best of my ability! I loved each career and would do any of these again to best serve God's people!
