

with and for the people of Haiti

There is no greater weapon against poverty, suffering and injustice than prayer. As the AID to Haiti website says, "Pray as though everything depends on God. Work as though everything depends on you."

What Can You Do?

Water Initiative

Help us in meeting our goal of reaching 100 additional families with water catchment systems in the coming year. Each catchment system will cost approximately \$350 each per household, and our goal is to raise \$35,000. This will enable a household to utilize rainwater for their home and garden use. Accompanying agricultural and nutritional education will enable the garden to flourish as a source of food and income.

Teachers Training Initiative

Support materials and a week-long training in July of 2019 and 2020 in Haiti. Led by the NDMU School of Education, in collaboration with Beyond Borders and the Matenwa School on Lagonav, a Training of Trainers model is being implemented in order to bring the training to scale across a network of 25 schools on Lagonav. The focus will be on pedagogical interventions that help children with special learning

needs achieve learning benchmarks.

All donations should be forwarded to the AMSSND

Development Office:

345 Belden Hill Road
Wilton, CT, 06897-3898

Or donate online:
