

# School Sisters of Notre Dame

## Atlantic-Midwest Province

### Foundation Day Prayer

#### October 24, 2021

#### **Introduction**

Today, we join Sisters, Associates and Colleagues throughout the world to celebrate one hundred eighty-eight years of fidelity to Blessed Theresa’s vision and charism. In communion and solidarity with the worldwide community present here and elsewhere, let us pray.

(Contemplative Pause)

#### **Opening Prayer**

Loving Triune God, you call us forth into the heart of our fractured world, in a time when our charism of *making one* is sorely needed. Help us deepen our communion with You and all people wherever we are—in every place, in every time and in every situation.

Give us the grace to see that this sense of oneness flows from your Triune life and is our way of partnering with You in your continued creating, redeeming and sanctifying mission in our world. Amen.

#### **Reading**

Love Gives Everything! What a wonderful way of expressing the inexpressible reality of our Triune God, and our own participation in God’s life of mission! That God is Love Giving Everything points to the metaphor that God is a verb, a mystery... of flourishing relationship, a loving that moves out of itself and draws others in—humans, animals every particle of creation. Theology in its own stuttering way tells us that the divine “persons” are persons not in their own right, but only insofar as they participate in relationship—with one another and with everything that exists.

And so, it is with us. The famous African proverb tells us that “I am because we are,” and that is true because we are made in God’s image. As Richard Rohr has put it beautifully, God

is not being but *interbeing*, the Trinity is not the dancers, but the dance itself<sup>1</sup>. And so, it is with us and everything. As images of God, we exist as interbeings, caught up in the dance... It is this Love Giving Everything, this “Verb in in which all beings participate, move, and have their being. ... not limited by any object but soaring everywhere,”<sup>2</sup> that is the ground of the church’s mission.

### **Faith Sharing**

How have you experienced being called to partner in the mission of our Triune God?

### **Prayers of the Community**

**Prayer Leader:** We hear the voice of Blessed Theresa who says to all of us, Sisters, Associates and Colleagues, “I solemnly commend all... to the most Holy Trinity.”

**Response:** We call on the Triune God to be with us during these times, to be our inspiration and our guide as we continue the mission of SSND.

**Prayer Leader:** “May God the Father care for you all and keep you steadfast and faithful in your holy vocation!”

**Response:** We call on the Creator, to imbue us with a Spirit of Faith, Hope and Love to respond to the urgent needs of our time.

**Prayer Leader:** “May God the Son deliver you from all evil of sin and be the way you walk, the truth you follow, and the life you lead!”

**Response:** May Christ be the one whom we proclaim, transforming minds and hearts among us and in our places of ministry.

**Prayer Leader:** “May the Holy Spirit preserve you in love and grace!”

<sup>2</sup> Elizabeth A. Johnson, *She Who Is: The Mystery of God in Feminist Discourse* (New York: Crossroad, 1992), 239. Johnson, of course, is alluding to Acts 17:28.

**Response:** May the Holy Spirit be in our hearts and on our lips as we work to promote justice and peace in our world.

### **Closing Prayer**

Loving Triune God, in the spirit of our foundress Blessed Theresa, we ask for your grace to live in such a way that your presence becomes more visible in our world. Together, we renew our commitment to the ministry of education and to address the pressing concerns of our time: climate change, immigration, human trafficking, racism, and sustainable development in Haiti. We embrace your call to partner with you in the transformation of our world. Amen.

The Department of Ministry Services thanks **Sister Claire Marie Czerwiec, SSND** for her collaboration in designing the 2021 Foundation Day Prayer.
