

Sister Eileen O'Dea, SSND – 70 Year Jubilee!

"Deo gratias!"

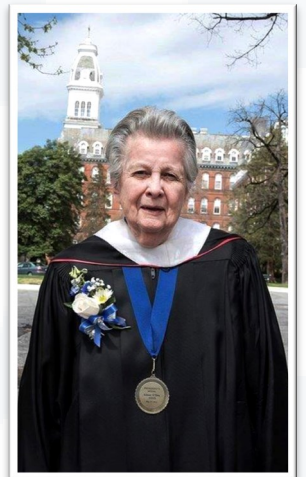

My Jubilee Story took the form of a psalm of gratitude. Deo gratias!

Psalm of Gratitude

Celebrating seventy years as a School Sister of Notre Dame, I am deeply grateful to be a member of the international congregation. I pray Deo gratias.

For all who are celebrating a special SSND anniversary this year, particularly the 1955 Baltimore profession class, I pray Deo gratias.

For the Sisters with whom I was blessed to live in community, who contributed so generously to my lifelong education, I pray Deo gratias.

Fredrick Mary**

For the students I was privileged to teach, who taught me so much more in the educational process, I pray Deo gratias.

For all whom I have encountered along The Way who challenged and encouraged me, I pray Deo gratias.

For global citizens everywhere, that we may become members of the global community, I pray Deo gratias.
