

## *Sister Laurellen Nixon, SSND – 70 Year Jubilee!*

*"I am grateful  
for it!"*

I have served my community and God's people as a School Sister of Notre Dame for 70 years.

During my years as an SSND, I offered my secretarial skills in schools, and as secretary to the Province Provincial.

The ministry I most treasured was teaching at the Training School in Monrovia, Liberia, Africa.

I have always tried to maintain a peaceful, prayerful presence, and live in that spirit in my community at Ozanam Hall, Bayside, NY.

While I treasured my time in Africa, when asked what my favorite ministry was, I have to say, "This place." I am grateful for it!
